

Managed Pull Notice (EPN) Service

Automated monitoring of employee driving records

Our EPN Service can serve as a stand-alone product or integrated into our electronic DQ File manager

Continuous Motor Vehicle Report (MVR) Monitoring Service

Easy to use interface for ordering, receiving, printing or saving Pull Notices

Built-in California Vehicle Code automatically translates violations.

Receive e-mail reminders when CDL's or Pull Notices are required.

Take your EPN program to a new level...

Our user-friendly interface makes ordering, receiving, and saving employee Motor Vehicle Records (MVRs) simple.

Built-in Vehicle Code

When a Motor Vehicle Report contains a violation, our built-in California Vehicle Code will translate the violation and print it on a supplemental page.

e-Mail Reminders

Receive automated e-mail reminders when a Pull Notice or CDL is coming due.

ECM Enterprises is an Authorized EPN Agent for the California Department of Motor Vehicles.

Need Your Requester Code?

Before you can begin monitoring your employee's Motor Vehicle Reports you need to obtain a Requester Code from the DMV.

We can help you with the application process.
